Notes:					

Notes about administrative fees for adding and dropping courses: the tuition fee will be refunded according to a schedule (see below) in which refunds decrease following specified dates in the term. Any administrative fee (outlined on the front of this form) is subtracted from the tuition fee before the refund factor is applied. Incidental fees are non-refundable. Refunds will not apply to independent study fees or applied music fees. For clarification please see the student handbook. Because of the nature of online courses, there is a \$300 administrative fee for withdrawing. Modular or Multi-Modal courses follow the same weekly withdraw refund factor schedule and are subject to the same fees as regular on-campus weekly courses, even if the class has not yet met in the term.
