## Request permission to take an EXTERNAL COURSE

Students requesting external course credit are required to provide a course syllabus and a link to the school's website for consideration by the Registrar and the Academic Dean. Once an external course is completed, an official transcript is required from the other institution. The student must request the official transcript to be sent to Heritage, attention the Registrar. The student must achieve a "C" or above in the external course in order for credit to be awarded. Students are not permitted to take an external course in their final term before graduation, if their final term is a winter term (occurring before the April graduation ceremony).
